

SINGH SABHA OF MICHIGAN

Respected Khalsa Jee,

Waheguru Ji Ka Khalsa! Waheguru Ji Ki Fateh!

Why we request the Sangat for EFT membership?

The beautiful Canton Gurdwara Sahib became a reality in 2008 only because a group of dedicated Sangat agreed to start EFT membership in 2005. A small commitment of \$101 a month remitted through EFT provides firm evidence to the mortgage lending bank in our strong solidarity for making investment in our rich fundamental values taught by Sikh Guru Sahibans for 239 years.

\$101.00 per month is just a little over \$3.00 a day!!

This small investment made in 2005 makes us proud of the wise decision made that has helped us enjoy the comfort and spirituality offered by our Gurdwara Sahib today. Please note that this Gurdwara belongs to all Sangat and is not a personal property of anyone. The current bank loan is expected to be paid off in next 4 and half years. However this does not mark the end of investment in our heritage. To promote Sikhism and provide service to our community, we need;

- a. A good Panjabi teaching school facility;
- b. A funeral home exclusively designed and operated to comfort Sikh families in their time of grief;
- c. A gymnasium facility for body fitness awareness especially suitable for senior Sangat members;
- d. A medical clinic;
- e. A Sikh museum to educate the community of the supreme sacrifices made by Sikh martyrs.

In view of the above, we strongly urge you to become EFT member to invest in our ancestral values. We also encourage you to become Sevadars of management groups and plan these investments.
